Health and Wellbeing

- Develop positive friendships and relationships within new class.
- Recognise the importance of following our school rules and values.
- Begin to understand some of the rights that children all over the world have.

Primary 1 Term 1 Learning Overview

The main focus for learning and teaching this term.

Our topic this term is:

People Who Help Us

- People who help us at home
- People who help us at school
- People who help us in the community

Other topics will be child-led and will depend on our pupils' interests and ideas.

Ethos and Life of the School

- Curriculum Evening - 12th Sep
- Develop awareness that we are Rights Respecting School.
 - Create a Class Charter
 - Harvest
- Recognising achievements

Homework

- Sounds and key words (sent home as each set is completed)
- You will receive information about reading books when your child brings one home
- Show and Tell - more information to follow

Information

- Please ensure that all items and clothing your child brings to school are clearly labelled.
- All pupils should have gym kit in a named bag. This remains in school and is returned home at the end of each term.
 - PE Day - Thursday
