

Week 1 Home Learning

Hello Primary 2

How has your first week of Home Learning been? I hope you have enjoyed learning with your family.

How many **ai** words did you find and write? Did you write some sentences using **ai** words and did you write stories about Going Swimming?

If you would like to send me some things you have been learning this week, your parents could email these to me. It would be good to see some of your writing and your labelled drawings of the inside of your house.

Have any of you been watching Miss McDermott read her stories? Miss McDermott is reading stories and they are linked to our writing. The stories will give you ideas for your story writing. Next week's stories will all be about spring as this is what our writing will be—A Spring Story. You can watch Miss McDermott by going to our school GLOW page.

<https://blogs.glowscotland.org.uk/wl/lpsblog/category/story-time-from-home/>

If you have been outside and taken some photographs, you could also email these. I will make a PowerPoint of what you have been doing.

My email is: karen.herbison@westlothian.org.uk

When I went a walk I saw lots of spring flowers. What have you seen?
