Make some chains of equivalent fraction before you start. Here is one, you should choose different fractions to start with.

$$\frac{1}{2} = \frac{2}{4} = \frac{3}{6} = \frac{4}{8}$$

Now it's time for the activities.

Log in to Active Learning and try the following.

Aim to get 100%

Mild – Bingo 13 and Bubble Burst 45

Spicy – Bingo 13 and Bubble burst 76

Hot – Bubble Burst 76 and Cave Commotion 43

You may, of course, play more games if you choose as everyone has been allocated all the games.

You have been given a new set of words to practise and learn, plus a different grammar activity. If you didn't do this activity last week, please try to complete it this week.

In week 6 we are going to ask you to make a SWAY on VE Day, but this week you are **JUST READING THE INFORMATION**

Try the VE Day Kahoot Quiz set by Mrs Ross. This will be posted on TEAMS

During WW2 people had to make the most of resources. They had to grow their own food, "make do and mend" which meant nothing was thrown out but repaired instead. Do one activity from the list below.

Plant seeds and try growing your own food

Learn how to sew on a button

Have a VE day celebration (tea, jam sandwiches etc)

Follow a WW2 recipe

Mend something that is broken.

Follow a WW2 day of rationing.

Please tell us what you did by writing on and adding a photograph to the WW2 PRACTICAL ACTIVITY document in assignments.
