

Week 7 18th – 22nd May 2020

Maths

Perimeter and Area

(L.I. I can find the areas and perimeters of rectangles.)

How confident are you feeling about your understanding of perimeter and area based on the work we did last week?

There are three options this week which you will find in the assignment or these can be emailed to you. Choose mild if you found the pages last week tricky, hot if you would like a challenge, spicy if you can't decide! You can always try an easier one before moving on to a challenge.

Here is another video clip to help you with area.

Try to upload your answers if you can on **assignments!**
Well done to everyone who managed this last week!

Games and challenges to support this have been set for you on Sumdog, Mangahigh and Active Learn. Since so many of you are using Sumdog, we have entered P6 into the Sumdog **West Lothian Maths contest!**

If you have any password issues let us know.

Watch the above video clips on fact and opinion and complete the task set for you in the assignment.

Writing task.

Think about some issues you have strong opinions about. Discuss this with the people around you who know you best! What facts support your opinions? This could be linked to a sport, hobby, celebrity, musician, social media, news item OR you could link it to some of the issues that you were thinking about as part of our Scottish

I.D.L

Natural Disasters

(L.I. I can describe the physical processes of a natural disaster and discuss its impact on people and landscape.)

Some of you have started the task on Volcanoes. Mrs Hudson Price will be on teams with you on Wednesday to see how you are getting on with that (remember to put it into **assignments!**) and she will be introducing another natural disasters activity then. IF you have chosen to start your own research project, or are still working on the Tsunamis task of course you can keep going with this!

Art

(L.I. I can appreciate the work of famous British artists and create pieces of art drawing on inspiration from the styles and techniques used by them.)

Over the next few weeks we will be giving you tasks linked to the work of different famous artists. This week you are going to find out a bit about **Steven Brown**. His 'McCoos' is a modern piece of art that uses stripes of colour on highland cows. Using the PowerPoint to find out about Steven Brown's style, can you recreate his McCoos or another animal using materials from home? Or are you inspired by his

Parliament topic?

Write two or three paragraphs on different subjects including a mixture of facts and your opinions on them. Colour code facts and opinions if you like.

OR

Write a longer piece of persuasive writing if you would like to go into more detail on one issue, giving opinions and backing them up with facts.

Spelling

Choose at least 3 activities from the spelling menu sheet and practise your words for this week.

Spelling practice of this week's word patterns have also been set for you on Sumdog.

Reading

It is good practise to be reading a book of your choice every single day. Continue to link your own choice reading to Literature Circles! 😊

design to create a brand new idea?

Technology

Have a go at creating your own facemask. Here is one idea using an old sock but there are other ideas for homemade masks. I am not sure this one is as easy as it looks but if you have any old socks you could try it! Let us know your results in the assignment!

French/ Spanish

A good resource for practising your French or Spanish is Duolingo, you can access this online at <https://www.duolingo.com/learn> or you can download an app. Once you are set up it will give you a short test to see what you already know then it will continue to teach you new language from there. Passwords for linguascope website on teams.

Touch Typing

Here is a link to a website for practising your touch-typing skills.
