

### Fundraising Ideas?

Dr Barnardo was famous for all his good work during Victorian Times and, even to this day, fundraising events for his charity continue. Think about a charity close to your heart which you would like to raise money for and plan how this would be done.

### Study It!

Have a look at a selection of art work by Lowry. You will see that his work has buildings, factories and lots of people. See if you can copy one of his designs by sketching and colouring. Pay attention to shading, light and colours. Upload to our class art gallery to share your work.

### Science to Try...

Calling all budding Scientists! Have a go at the following experiments: Bright as a penny and invisible ink. Instruction sheets are included separately.

### What is your Design?

William Morris was a famous designer. Have a read of the factsheet and look at some of his designs. Think about your own design for wallpaper for your room. You can choose to do one of Morris' designs or create your own. Upload to our class art gallery to share with others.

## Home Learning P5

### School Closure

Learning Across the Curriculum  
Home Learning Suggestions  
Weeks 9 and 10 (1<sup>st</sup> - 12<sup>th</sup> June)

### Make a Dreamcatcher

Find out what a dreamcatcher is and where they originated from. Can you make your own? You could create your own design or look for ideas online. There are lots of ways to make them using paper plates, wool or other household items.

### Buddy Stop!

Think about the ideal place in the Infant Playground where you and your buddy can meet. This could become your buddy stop and if your P1 buddy gets lost, then they know where to find you. Create a map of the playground and a list of playground rules on the back, to give to your buddy.

### Bubbles, Bubbles, Bubbles!

Create your own giant bubbles and learn the science behind them at the same time by watching Bubble-ology by #GSCathome:

<https://www.youtube.com/watch?v=Ts6zclrcROs&t=340s>

### Research It!

It's getting near Marches Day. Research the history behind the Riding of the Marches and create a poster to show your findings.

### Rhythm, Rhythm, Rhythm!!!

Think about all the bands and sounds you hear on Marches day. Create your own rhythm pattern to play to your family. You may want to use real instruments, pans, spoons or any other objects you find around the house.
