

P2 Learning at Home Week 10

Week Beginning 8th June

Reading

Enjoy choosing books at home with your child and talk about these. Remember you can watch Stories from Home and access these from our school website. You all have access to **Oxford Owls** so please use this super resource to choose a book for your child to read it aloud to you. This is the website address:

<https://www.oxfordowl.co.uk/>

You could look for stories about robots as this may help you with this week's writing!

Phonics

This week's vowel digraph is: **ar**

How many words can you find and write using this digraph?

Tricky Words

Practise reading and writing

Tricky Words 64 -66: also of eight

Write sentences using these words and try to illustrate your sentences.

Writing

Write a story and draw a detailed picture.

Remember our core writing targets (capital letters, full stops, finger spaces, present work neatly)

This week's writing is a narrative and the title is:

Cats

Remember your story should have a title, an opening sentence, a problem and an ending.

Try to listen to Miss McDermott's stories for some ideas to help you write your story.

Handwriting

Form your letters correctly following the Handwriting Formation Sheet. Make sure you begin writing in the correct place.

This week's letters are: **b p**

Number

This week's and next week's maths learning activities are all about Time.

You will learn:

- Before and after
- Dates
- Time to the hour
- Time to the half hour
- Writing time
- Comparing time

There are a number of activities for you to choose from.

Remember - these are for **two weeks** and just do what fits in with you and your family.

The **Time Activities** are in the Home Learning area on our website and they will be posted on our blog on Monday.

Remember to keep counting forwards and backwards every day. Start from different numbers each time.

IDL Minibeasts

- I can find out facts about snails and slugs and record the information
- I can use a variety of media to create and draw a snail inspired by the artist, Kandinsky

Watch the PowerPoint and the YouTube videos about snails and slugs and use this information to make your very own Fact File.

You can write this in your jotter or if you have paper at home you can fold it to make your fact file. Write 3 facts and draw a detailed picture.

Have fun!

The Snails and Slugs PowerPoint and YouTube videos will be on the blog on Monday!
