

P6 - Week 11, 15th – 19th June 2020

Because you have a holiday this week, some tasks are set for the next two weeks.

Maths

Number Patterns

(L.I. I can recognise some special number patterns.)

This week your task is to investigate special number patterns. The following videos should help you get to know a little bit about square numbers, cube numbers, triangular numbers, Pascal's triangle and Fibonacci sequence!

Task options -

Mild – Worksheet on square and cube numbers

Spicy – Choose at least three of these number patterns to explore and create a Powerpoint/poster to show your understanding.

Literacy

Free Writing

I know some of you have a few 'to be continued' writing projects on the go and I would like you to have time to spend on this. If you don't have one of these then you could either invent your own choice piece of writing or have a go at any of the previous writing challenges if you missed any.

Spelling

This is your last set of spelling words in P6 so can be done this week or next!

Spelling practice of this week's word patterns have also been set for you on Sumdog.

Reading

Continue to enjoy your own choice reading and discussing your own choice of books!

I.D.L

Marches Challenge

L.I. – I can play my part in bringing about positive change to my wider community while developing my talents, which will support me in challenging times.

Unfortunately due to the current situation we find ourselves in, the Marches have been cancelled this year. As much as this has saddened everyone involved, it's important that we are kept safe. So a challenge has been designed to keep the Marches going through children taking part in 3 challenges that will continue some of the traditions of the Marches going. Please remember if you are doing any of these challenges, make sure to ask an adult for permission. Well done to those of you who have started this!

Music

Mrs McWhirter has set you a **Marches Music** assignment which you can find in teams.

Spanish

L.I – I can use visual clues to gain understanding of new vocabulary that adds to information that I can share about myself.

<https://youtu.be/kAm3dOjdYCI>

Maths – money

L.I – I can use simple financial information to plan and manage a basic budget.

Using the create a budget tool, explore how to plan and manage a basic budget. You can also complete this

quiz <https://rbs.mymoneysense.com/teachers/resources-8-12s/topic-5-how-can-i-plan-a-simple-budget/interactive-a-uk/>

Mild - Bank Statement review and Lunch menu

Spicy - Lunch Menu and Credit card statement

Hot - Savings and Balances

Challenges set on Sumdog, Mangahigh and Active Learn.

If you have any password issues let us know.

This week in our Spanish Refresh, we are going to revise numbers to 100 and colours. Use the videos to help you complete the tasks.

Art – Banksy

L.I - I can appreciate the work of famous British artists and create pieces of art drawing on inspiration from the styles and techniques used by them.

Banksy is a well-known graffiti artist whose artwork turns up overnight, usually with a thought-provoking message. Even though he is well known for his images, we do not know what the artist looks like or who he is.

Active Learn

<https://www.activelearnprimary.co.uk/login?c=0>

Sumdog

https://www.sumdog.com/user/sign_in

MangaHigh

<https://app.mangahigh.com/en-gb/login>

And don't forget you can practice your tables on.

Times Tables Rockstars

<https://play.ttrockstars.com/auth/school/student>

Using the PowerPoint and materials, can you create a similar message? Please do not spray paint any walls however sketch out your design on paper and put it in an area where you can take a photo of it.

Health

L.I – I can participate in a range of activities that promotes a healthy mind and lifestyle.

It is becoming increasing importance especially with global pandemic that we look after ourselves. We must continue to develop our knowledge and understanding, skills, capabilities and attributes we need for our mental, social, emotional and physical wellbeing now and in the future.

This week for health, there is a variety of activities that promotes various aspects of health. If you can, please choose one activity a day over the course of the school week to complete. If you can, document your challenge as a PowerPoint or Word document with pictures, so we can be involved!

Outdoor Learning

The Wildlife Trust's **30 Days Wild Challenge** began on the 1st June? This is set by the Wildlife Trusts. You can still adapt this challenge to suit you. There are LOTS of ideas activity ideas to choose from. Some are in the assignment and more can be found at <https://scottishwildlifetrust.org.uk/things-to-do/learn/>

Look at the Bioblitz activity in the assignment if you have started a species list or want to find out more.

Natural Disasters

(L.I. I can describe the physical processes of a natural disaster and discuss its impact on people and landscape.)

Some of you have started this week's geography topic on **Desertification**. Mrs Hudson Price will be on teams with you on Wednesday to see how you are getting on with that and she will be introducing your final activity then. Feel free to choose a project from previous weeks if you missed any and we would still like to see how you get on.

Researching Linlithgow Palace Stories.

(L.I. I can research a Scottish historical theme and discover how past events.)

Continue to work on these if you have not finished. A new task will be posted later in the week.
