Special Diets

Medically Prescribed Diets: Our focus is to meet a pupil's needs in terms of the 14 main allergens and ethnic/religious requirements.

If you have any concerns about your child's dietary needs, please contact your school who will be happy to discuss your requirements with you and the school Catering Team.

If your child needs a medically restricted diet, please inform your child's school. We will require information regarding medical diets from your doctor or another medical authority.

All Primary 1 - 5 pupils are entitled to lunch free of charge!

You can now select menu options and make payments online for school meals at

www.westlothian.gov.uk/school-meals-menu

Note:
Please speak to your school Catering Team about vegetarian choices, special diets or medically prescribed dietary needs.

Facilities Management

As the internal providers of meals in West Lothian, we want to hear from you, good or bad, as your comments and feedback help us to improve our service.
You can email us at **fmservices@westlothian.gov.uk**

As part of Education Scotland Schools Inspections, catering is audited in line with "the whole school approach".

School meals are analysed against Scottish Government food and nutritional guidelines.
