

LINLITHGOW PRIMARY SCHOOL NEWS

Together we learn, together we grow!

Growth Mindset, Relationships, Opportunity, Wellbeing

May 2026

Dear Parents/Carers,

As we move through a busy and rewarding last term, it's lovely to both see and to feel, the positive energy, resilience and sense of community that our staff, pupils and their families, continue to show each day. The past few weeks have already brought many new opportunities for creativity, innovation and achievement, across the school. Through our successful Spring Blether Café, our P7 camp to Lagganlia, our P6 pupils playing rugby, our P5-7 school football team playing at the George Allan Tournament, and our P2 trip to the Museum of Scotland, it has been wonderful to see our pupils embracing new challenges both inside and outside of school. With many trips and excursions still ahead, and our popular Health Week still to come, there is much to look forward to, and we are always proud of the determination and positivity that our children, demonstrate. Thank you as always, to all families, for your continued support and partnership and in helping our school community to thrive. We wish you a successful, rest of the month! 😊

Learning, Teaching and Assessment/School Curriculum: Battle 500! All pupils have been busy in classrooms, learning about the Battle of Linlithgow Bridge, which took place on 4th September 1526, as well as different aspects of the history of our town, around this time.

We are hoping that some of our classes, will attend a special performance, which is to be put on by the Linlithgow Players, at Linlithgow Palace in August, to re-enact life around the time of the battle.

Before the end of term, our P5 children will go on a special, guided walk around Linlithgow 'Lagoon'- to examine the historic battle site and to explore how land-use has changed around the area. For those families who are new to the town, Linlithgow 'Lagoon', is just off the River Avon and it is an old sand quarry, that is known to many for being a popular spot for wild swimming, hence the name 'lagoon'. The area around the 'lagoon' is also where the Battle of Linlithgow Bridge took place in 1526.

Before the end of May, our pupils will have taken part in an art competition, which is being run for the pupils in all Linlithgow schools, to design a heraldic shield, associated with the time of the Battle. The winning designs will be printed onto banners and hung along the High Street, to commemorate the Battle.

Classes/Teachers for Session 2026-27: Information to be sent home on Monday 15th June:

Parents/carers will be given information of their child's class and the name of their new teacher, on Monday 15th June. This is also, the date that pupil progress reports will be sent home in school bags. We will remind you all to check bags, carefully, that evening, nearer to the date. We hope that this information is helpful for everyone. We also hope that you enjoy reading your child's report and finding out about their progress, over the year, when the time comes. A small number of our pupils, will be given an enhanced transition to their new class, for August. We will let parents/carers know if we feel that your child, would benefit from this additional support. All other pupils will be supported to make a smooth and happy transition, through our Transitions and Changes programme, which runs each June, in all classes (P1-7).

April Family Learning Event: Feedback: Outdoor STEM Event: Thank you to all family members and pupils who came along at the end of April, to our Outdoor, STEM event, which was held in the school grounds. A great time was had by all, as our P7 pupils helped the visitors to make sun dials and to take part in other, outdoor challenges. Thank you also, to Miss Noble, for facilitating this event.

LINLITHGOW PRIMARY SCHOOL NEWS

Together we learn, together we grow!

Growth Mindset, Relationships, Opportunity, Wellbeing

Pupil Achievement: Young Engineer Award: P5: We are absolutely thrilled to report that Imogen, one of our P5 pupils has won a Young Engineer Award for her design of drone, to help to prevent the spread of wildfires. Wildfires are a real, environmental concern in Scotland and in countries across the world and the judges of the competition were extremely impressed by the attention to detail and innovation, in Imogen's design. Imogen will have her design made into a prototype as part of her award presentation. She was lucky enough, to welcome a team of nine engineers from the company, Thales, into school, last week to present a special assembly to P3-7 classes and to work with Imogen and her classmates, to showcase her design. What an outstanding achievement Imogen! We are so proud of you!

Pupil Achievements: Show Jumping: P5: Another one of our P5 pupils, Hannah B, has had some wonderful success in a recent show jumping competition, when riding her pony, 'Dolly', at Oatridge College. It was the first experience of competitive show jumping for both Hannah and Dolly. Hannah said that after a little 'wobble' and an extra walk around the ring, Dolly did her proud and the pair left with two rosettes! Well done to you Hannah (and to Dolly as well!)

Pupil Achievements: George Allan Football Tournament: P5-7: What a fantastic effort and result from our School Football Team who came third in the George Allan Football Tournament, recently. Well done also, to Quinn, who was player of the Reston League! A wonderful achievement, all round!

Pupil Achievements: Glee Performance: P5-7: Just before the Easter holidays, a group of children from across the P5-7 stages, performed on stage at the Scottish Primary School Glee Challenge event at the Corn Exchange, in Edinburgh. The children sang and danced to the songs, Viva la Vida by Coldplay and Thunderstruck by AC/DC, and although they didn't get through to the finals, judges commended the performers for their strong vocals. Thank you so much to Ms Quigley, Mrs Cameron and Mrs Bell, who worked with the children, over several weeks, to put the fantastic performance together and to get the children ready for the event. Glee, celebrates inclusion through Expressive Arts and performance and we are always thrilled, to take part in this performance, as it aligns so nicely, with the values of our school.

Pupil Achievement: Basketball Play-Offs: P6: A great result for Brodie, in the recent Basketball Play-Offs in the West Lothian Primary School Basketball League, when he won a place in the 'all star five' for his performance and effort, during the tournament. Brodie received a special shirt, and basketball from the coaches for his achievement. Well done also, to our whole team, who came in 6th place, in the finals.

Pupil Achievements: Chief Scout Award (Silver): P6: We were delighted to hear that Leo, in P6, recently gained the Chief Scout Award (Silver) for his amazing efforts at Cubs. This award takes a lot of work and dedication, and Leo has received the award for gaining lots of badges and for having a positive and motivated attitude towards Cubs. What a superb achievement, Leo! Well done to you!

Pupil Achievements: Chief Scout Award (Bronze) and Sports Award: P4/3: Another one of our pupils, Joey in P4/3 (P4) recently gained the fantastic Chief Scout Award (Bronze) for his hard work and efforts, to gain a variety of badges at Cubs. Joey has managed to achieve this great award at quite a young age and we are just delighted for him. In addition, he also received an award from his Dad's gym, for being very skilled at fitness. Well done to you Joey!

LINLITHGOW PRIMARY SCHOOL NEWS

Together we learn, together we grow!

Growth Mindset, Relationships, Opportunity, Wellbeing

Pupil Achievements: P7 'Lightning Legends' STEM, F1 Team: More fantastic news of our F1, STEM team came to us recently, in the fact that we have just received official notification that the Team's design came in 15th place, out of 70 teams, taking part in the finals of the competition, which were held in Rotherham, Yorkshire, in March. Coming in 15th place, is just amazing! Well done to all pupils, who were involved and to Miss Noble too!

Health and Wellbeing Pupil Leadership Group: Pupil Sporting Achievements: Written by our Children: Well done to Jaxon and Evie (P7), for going around classes and collecting this month's pupil, sporting achievements for us!

P1 - Adriana moved up a swimming class.

P2 – Ayla gained three medals for dancing

P3 - Clara moved up a level in gymnastics

P4 - Cameron played a rugby tournament and featured in all matches

P5 - Imogen can now do a front handspring, in gymnastics!

P7-Jaxson won a medal in the George Allen, because his team came in third place

What a great effort from you all! We absolutely love how sporty our pupils are! 😊

STEM Room/Maker Spacers Plea: One Person's Trash is Another Person's Treasure! This month, we are collecting items to go into classroom 'Maker Spaces', from August. If you have any of the following items, lying around at home, and are willing to donate them to school, then we'd be very grateful:

-Buttons (we love a button tin in school! 😊)

-Ribbon, wool, string

-Fabric scraps or pieces

-Milk bottle tops/lids

-Corks

-Paper plates or bowls

Support for Learning News: Dyslexia Myth-Busters Group! Mrs Meikle our Support for Learning Teacher, has been very busy (and has, also been having lots of fun), setting up a Dyslexia 'Myth-Busters Group', with some of our pupils in school. The children have come together to learn more about the strengths associated with having Dyslexia, as well as different strategies to overcome, any barriers that are associated with this learning 'difference'. The children in the group have enjoyed learning about different parts of the brain as well as celebrating their own unique skills and talents.

Home Learning: Health and Wellbeing Challenge: Health Week 2026: 'Screen-Free' Time: We always respond to parental feedback, and we loved this little idea, that came to us from a parent, recently. The suggestion was that all pupils could be encouraged to *not* use their mobile phones (if they have one), or digital devices, at home, during the week of our school Health Week, which runs from 25th-29th May and to try other activities instead, as well as monitoring their mood for changes. We think that this is an absolutely, brilliant idea, to promote the benefits of 'screen-free' time. Please let us know if you choose to take part, with your child, and how you all get on. 😊

LINLITHGOW PRIMARY SCHOOL NEWS

Growth Mindset, Relationships, Opportunity, Wellbeing

Tesco Grants Programme: Vote for our school, in stores from 27th April: Digital Technologies Grant:

Our Parent Council have recently secured a successful bid with Tesco, to enable all shoppers to vote for our school in the 'Tesco Grant Programme', in stores from 27th April onwards. If we get the highest number of votes, the grant of up to £1,500, will enable us to buy digital technologies for pupils to use, for learning purposes, in school. If you, or a member of your family, shop in Tesco, please vote for our school and help us to secure this grant. It will make a huge difference to us, if we are successful!

Pupil Leadership Group News: Nursery and P1 'Sewing Bees': The 'Sewing Bees' Pupil Leadership Group, which is made up of nursery and P1 pupils, have been busy undertaking a variety of creative projects including, making a Christmas decoration, a winter glove and now, learning basic sewing stitches. The children are improving their fine motor skills and enjoying the time, working together, with Mrs Cairns.

Outdoor Learning News: Celebrating our Work in School: We have recently received a special grant, from our local authority, which has enabled us to support some of our P7 pupils, who are making their transition to S1 in August, through an 'outdoor skills' group. Led by Miss Noble and supported by Mrs Ferguson and Mrs Gordon, the group have helped to build wooden planters and seating areas for the playground as well as 'up-cycling' some old play equipment, turning plastic barrels, into colourful planters filled with summer flowers, fruits and vegetables. We are really delighted with the work of this group and we hope that you enjoy looking at the efforts of the pupils, in both the front and back playgrounds. What a difference a bit of colour makes to the playground! The children are now learning to care for plants, through daily watering and maintenance tasks.

Partnership Working: Thales: We are delighted to have a new partnership with the digital company, Thales, who recently supported our Young Engineer Project, in school. Thales have helped us by sending in volunteers from the company, to talk to pupils about a career in engineering and digital technologies.

Forthcoming Holiday Dates: We have the following holidays coming up this term:

-Tuesday 16th June- Linlithgow Marches Day- school closed/nursery open

We break up for our summer holidays on Friday 26th June at 12.25pm. Our nursery will remain open, over the summer period.

School re-opens for pupils on Wednesday 12th August 2026, and for the start of session 2026-2027.

Health and Wellbeing: Sports Day: Wednesday 27th May: Our Sports Day will take place on **Wednesday 27th May**, with the P4-7 children's events, commencing in the morning, from around 9.30am and P1-3 children's events, taking place in the afternoon from, around 1.30pm. More information will follow, in coming weeks. Sports Day will take the form of potted sports plus, optional running race (both short and longer distance). All parents/carers are warmly invited to come along and cheer all children on, at Sports Day. We'd love to see you all, then. 😊

Reminder: Parking in Our School Car Park: A little reminder, that our school car park is for the use of staff and visitors to the school, only. We know that parking around our school can be difficult and we'd ask families to walk to nursery/school as much as possible. Where this isn't an option, please park safely and sensibly. Please also, avoid parking in our disabled space, unless you are a 'blue badge' holder. Thank you so much for your support with this.

LINLITHGOW PRIMARY SCHOOL NEWS

UNCRC/Children's Right of the Month: Article 31 – The Right to Play: At Linlithgow Primary School, we celebrate Article 31 of the UN Convention on the Rights of the Child—the right of every child to relax, play, and take part in a wide range of cultural, artistic and recreational activities. We believe that play is not just fun, but essential for children's wellbeing, creativity, and overall development.

Play is woven into everyday school life. Our Playground Pals scheme supports positive and inclusive playtimes, helping everyone feel confident, safe and included. Children have the opportunity to build friendships, develop social skills, and enjoy a variety of activities during break and lunch times.

This month, we are also embracing Health Week, where pupils explore the importance of staying active, making healthy choices, and looking after both their physical and mental wellbeing. Alongside this, our much-anticipated Sports Day (on Wednesday 27th May), will offer a fantastic opportunity for everyone to take part, challenge themselves, and enjoy the excitement of teamwork in a supportive environment.

Beyond the playground, we offer a wide range of extra-curricular clubs throughout the year, giving pupils the chance to discover new interests and talents. From sports to creative clubs, there is something for everyone. In addition, we provide pupil-led clubs, during the school day, ensuring all children can access opportunities to play, explore, and learn in different ways.

Neurodivergent Learner: Parent Support Group: Feedback and Next Meeting Date: Thank you to all families who attended our most recent meeting, in March, of this group where we looked at the typical profile of a child with a Neurodivergent diagnosis and their possible support needs. Our next meeting will take place on **Wednesday 10th June, in school, at 2.30pm**. All families who feel that they would benefit from this support, are warmly invited to attend.

Uniform Swap Shop: Friday 5th June: Our next Uniform Swap Shop will take place on **Friday 5th June from 8.50am-11.30am**, in our school foyer. Everyone is welcome to come along on that morning to either donate, 'pre-loved' school clothing or to pick up items, to take home. Please note that this will be our last Swap Shop of the session, so feel free to come by and pick up a stock of uniform, for the new term, in August.

Assembly Calendar: Term 4:

This term, we have the following batch of assemblies planned for pupils, as part of the overall curricular experience:

Thank you to Sally Pattle, from Far from the Madding Crowd Book Shop, who came into school at the start of May, to talk to all pupils at a special, Battle 500 assembly. We also recently welcomed members of the Deacons Court, including Provost Green, to talk to all pupils about the Riding of the Marches.

Here are the next batch of assemblies, which will take us up to the end term:

- Friday 15th May- Class Assembly- led by P5A- parents/carers invited at 9.45am
- Friday 22nd May- Wellbeing Assembly- 'I am Active'
- Friday 29th May- Class assembly- led by P1A and P1B- parents/carers invited at 9.45am
- Friday 5th June- Class assembly- led by P2A- parents/carers invited at 9.45am
- Friday 12th June- Class assembly- led by P2B- parents/carers invited at 9.45am
- Friday 19th June- Wellbeing Assembly- 'Transitions and Changes'
- Friday 26th June- Wellbeing Assembly- 'Summer Safety'

LINLITHGOW PRIMARY SCHOOL NEWS

Together we learn, together we grow!

Growth Mindset, Relationships, Opportunity, Wellbeing

Nursery News: Health and Wellbeing Mini-Champs: Nursery Sports Day: We have recently set up a Health and Wellbeing 'Mini-Champs' group, in nursery, and the boys and girls, who are involved are busy planning a special, nursery sports day. We try to develop our pupil's leadership skills, from the earliest stages, and we know that this little group are going to be fabulous. The children will work together, with the help of staff, to plan, resource and advertise a community event. We will bring more news of the Nursery Sports Day, when we have it. 😊

LPS Health Week, Monday 25th - Friday 29th May: We have a 'jam-packed' Health Week for all pupils in school, including our nursery children, with activities designed to encourage being physically active and to promote wellbeing taking place. Activities include judo, tennis, dancing, bowling, fitness, football, yoga, golf, taekwondo, junior parkrun and cheerleading!

Every day during Health Week (Monday 25th - Friday 29th May):

- Children can wear sports clothes (no football colours please) and should bring a water bottle (named if possible).
- The weather can be unpredictable, and many sessions will be taking place outside, so please send a waterproof jacket or apply sun cream before school if necessary.
- To promote healthy eating, we ask all parents/carers to please consider sending children to school with a healthy snack each day, such as a piece of fresh fruit.

Thank you to all the families who signed up for our **Family Football event, taking place on the pitch at Linlithgow Academy on Thursday 28th May, 4.00-5.00pm**. This is a fun, interactive event, with a game over two 20-minute halves. All spectators are welcome and there will be a snack stand at the event (cash only), with all proceeds going towards resources for our school football teams.

P1-7 Sports Day, Wednesday 27th May: We are delighted to invite you all to this year's LPS P1-7 Sports Day. Sports Day will take place on Wednesday 27th May at the following times:

9.30am- P4-7

1.30pm- P1-3

Sports Day will take place on our school pitch and parents/carers are kindly asked, to stand/sit on the canal side of the pitch, in front of the wall.

Children should please come to school with a full bottle of water, wearing sun cream, and bringing along a hat, so that they are comfortable and protected from the sun.

Sports Day will consist of potted sports for all pupils, followed by optional races. This year, by popular demand, the parents' race will take the form of a fun race, rather than a sprint! 🏃🏻‍♀️

Reminder: Changing for P.E: For hygiene reasons and to practise the life skill of changing, organising clothes and sorting personal belongings, we encourage all children to change for P.E during each lesson. We would really appreciate the support of all parents/carers to ensure that all children have a gym kit in school for changing into, or that they come to school with their P.E kit on, under their school clothes, ready to change for P.E, on P.E days. Thank you for your support with this, we're so grateful.

LINLITHGOW PRIMARY SCHOOL NEWS

Spring Blether Café: Feedback: Once again, our latest Blether Café, was a complete ‘sell out’ with a large number of members of our local community coming out to support us, on the afternoon. There was such a lovely, atmosphere in the hall and our Pupil Equity Team, sold cakes and hot drinks and they represented our school so well. We were delighted to hand over a check to River Kids, for £1000, which is part of the profits from all of the cafes, this session. Thank you to all parental volunteers who came to help at the café or who helped us by baking goods for us to sell. What a great team! 😊

Pupil Writing: P1B ‘Lifecycles and P2A ‘Lighthouses’: This month, we are pleased to share the work of some of our youngest writers. P1B have been busy writing about ‘lifecycles’ and P2A have been hard at work, creating texts around the theme of lighthouses. Well done to all pupils who have had their work, featured this month. 😊

First Frogspawn lives in an egg. Next a tadpole appears. Then it eats and eats and finally, it becomes a frog. By Harvey

First a Mum lays her eggs and this is called Frogspawn. Next a tadpole hatches out and eats and eats and eats. Then it grows back legs, then its front legs. Finally an adult frog starts again! By Georgia

First a Mummy frog lays an egg. Next a tadpole appears out of an egg and then it grows its back legs. Finally it is a frog! By Estelle

It was a normal day at the lighthouse. Coll threw a frisbee at the lighthouse. The lighthouse broke and Zac used the helicopter to save the day! By Zac

The lighthouse has a bright light to tell sailors, so they don’t crash into the lighthouse. By Nora

One upon a time, Chloe and Clare were sleeping inside the lighthouse and then trouble began. First a very big seagull swooped towards the lighthouse and the lighthouse broke. Chloe said,“ Now where are we going to live, now Clare?”“Mmm, I know, we can live in a hotel, follow me!” said Clare. By Yoko

REMINDERS:

Parking and Stopping around School: Please drive and park safely on Preston Road for the safety of all children. Please also, avoid using our school car park or the turning circle for parking or stopping at any time. The car park is for staff use only, unless you are a Blue Badge holder, and the turning circle is for buses and coaches only.

Child Protection: Please speak to Miss Baillie/Mrs Gordon if you have any concerns about the safety or welfare of any child in our school community. You can also phone Broxburn Social Work Department (Children and Families), to report a concern for any child on 01506 284440 at any time. It's the job of everyone to keep children safe.

P.E Kit: Please can we ask that children have a P.E kit available at all times in school? Sometimes, staff will take children for an extra P.E lesson and or activity that is better suited to sportswear. In younger years, a P.E kit is helpful if children have an accident and need to be changed in school. Thank you for your help with this.

Drinks in school: Please help us to help our children to learn best, by only providing water for them to drink in school. We don't allow energy drinks in school as many of these aren't recommended for children's consumption.

Dogs in the playground: Please remember that it is West Lothian Council policy that dogs are not allowed in our school playground or grounds at any time. Thank you for your help with this important matter.

Labelling clothing: We still have a large volume of lost property in school each day. Please help us to re-unite lost items with their owner by labelling all items that children wear and/or bring to school.

Outdoor Clothing: Please help us to allow children to play and learn outdoors, in all weathers, by ensuring that they come to school wearing waterproof jackets and have appropriate footwear. Many thanks for your help with this.

Nut Free School: A reminder that we are a 'nut free' school. Children should not be sent to school with nut products for snack, or with lunchboxes containing nuts or nut butters, at any time, due to the risk that this poses to children with nut allergies. This important measure will help us to keep all children safe in school. We appreciate your support with this.
